13th October 2025

The Management
Lotfa Hotel
Diani Beach Road
Diani, Kwale County
Kenya

Dear Sir/Madam,

Subject: Urgent Request for Modification/Removal of Wall Obstructing Visibility at Diani Beach Road Junction

On behalf of the South Coast Residents Association (SCRA), I am writing to express our **urgent concern** regarding the extended built-up wall on the road reserve adjacent to Lotfa Hotel. This structure significantly **obstructs visibility** for drivers approaching the critical Diani Beach Road junction, creating a dangerous blind spot.

The safety risk posed by this obstruction is severe and demonstrable. Over the past year, this issue has been a contributing factor in **more than seven** recorded traffic accidents at the junction. The most recent serious incident occurred just yesterday, on Sunday, 12th October 2025. These recurring accidents pose a serious and unacceptable risk to motorists, pedestrians, and, critically, to your own hotel guests.

We respectfully appeal to the management of Lotfa Hotel to take **immediate action** to remove or substantially modify the wall in question. Remedying this obstruction would dramatically improve visibility and enhance safety for all road users in the area, aligning with the community's best interests.

We look forward to your prompt response and collaboration in resolving this matter quickly.

Yours faithfully,

Mr. George S. Mokaya

Chairman

South Coast Residents Association (SCRA)
