Milestone Update: New Motorbike Handover for Diani Crow Busters Initiative

Dear Residents and Stakeholders,

We are pleased to announce that this morning, we formally handed over a new motorbike to our dedicated Diani Crow Busters team. Much appreciation to Leopard Beach, Swahili Beach and Diani Sea Resort/ Lodge hotels for the support.

During the brief handover ceremony, we were privileged to be accompanied by Mr. Eric of A-Rocha Kenya and Mr. George Mokaya (Chairman, SCRA), whose continued support is invaluable to this cause.

What this means for our community:

- **Enhanced Mobility:** The team will now be fully equipped to efficiently coordinate and monitor the crow baiting program across the Diani Municipality and its environs.
- **Easy Identification:** The two staff members will be operating in full uniform at all times while on duty.

The crow menace impacts us all, and this structured mobility is a major step forward in managing our local environment. We kindly request everyone to extend their full cooperation and support to the team as they carry out this essential work.

Thank you for your ongoing partnership in keeping our neighborhood clean and balanced.

Warm regards,

South Coast Residents Association (SCRA)
