The meeting details are confirmed as follows:

- **Venue:** Diani Sea Resort
- **Time:** 9:00 AM – 12:00 PM

As previously highlighted, this engagement is crucial to establishing a sustainable, well-coordinated framework that balances Diani's vibrant tourism and entertainment industry with the peace, order, and security of our local community. We will focus on finalizing:

1. A timely notification framework for public events.
2. Clear roles and accountability regarding sound mitigation, waste management, traffic, and security.
